T-SHIRT QUILT

Have a pile of t-shirts collecting dust somewhere? Maybe old sports tees, nerdy shirts that don't fit or concerts you don't remember attending. Rather than donate them, turn them into a quilt! This **Fabric lesson** on CreativeBug will easily get your started. It's perfect for beginner sewers. And if you don't have spare t-shirts, try CreativeBug's **Dear Diary Daily Quilting Challenge!**

SUMMER OF SOUL

This documentary about the 1969 Harlem Cultural Festival, directed by Questlove premiered at the 2021 Sundance Film Festival where it won the Grand Jury Prize and Audience Award and eventually many other awards. Blogger LaTonya Yvette makes a compelling case as to why this is a story to listen to. The DVD is available at libraries around the county and is currently on Disney+.
